Dear Parents, Caregivers and Friends

Kia Ora, Talofa, Malo lelei, Namaste, Kia Orana and Greetings

Welcome to Term 3

A very warm welcome back to term 3. We hope that you all had a great time over the holidays. It has been fantastic seeing the students smiling and ready for learning.

I would like to extend the welcome to all our new students and their families. It is important that you are made to feel welcome and I encourage you to come and introduce yourself to your classroom teacher. If you wish to speak to me please don't hesitate to make contact via the office or come and see me before school.

Attendance

It is important that your child attends school in order to maximize the wonderful teaching and learning that takes place on a daily basis. Consistency is the key to improved academic outcomes and being present at school is a big part of your child's success. Every day counts towards your child's future.

School Build

The school build is well underway with our new middle school due to be completed by the end of the term. This new structure will consist of 4 classroom spaces of Year 3/4 for 2020. Once they are completed at the end of the term, we will be purchasing new furniture to ensure that it is the best possible space for learning.

At the completion of this stage, I will update you in regards to the rest of the stages of building.

Zoning

At this stage, we still have no zone as the school and the Ministry of Education are still in the process of negotiating a fair and reasonable zone that is reflective of our community. We will inform you when our zone is in place.

Please remember if your child is already enrolled it does not matter where you live and they are guaranteed to be able to stay here.

Contact Details

It is important that you update your contact details if these have changed over the holidays.
