8 November 2018

Kia Ora, Talofa, Malo lelei, Namaste, Kia Orana and Greetings

Welcome

Welcome to our new families who have just started over the last week at Linwood Ave School. It is great to meet you and I trust you have settled well into the Linwood Ave way of schooling.

If you have any questions or feedback then please do not hesitate to make contact with me directly via the office.

Swimming – QE2

First chance I have had to get down to swimming today and what a magnificent time our children have had at QE2 in developing their swimming skills. I stated at the start of the 2 weeks that one day these skills could save a life and it is so pleasing to hear how much progress all our children have made.

Linwood Avenue School Rebuild

Today I met with the contractors who are completing the build work to redevelop our school. It is likely that over Xmas holidays a number of buildings will be removed from our site. Due to this work happening over the holidays there is no Youthtown Holiday Programme and no Housie in the hall. Unfortunately, this will also mean that our swimming pools will not be operational during this period.

Reports

Teachers are in the middle of writing reports and these will be soon finished and ready to proof read. I then have the privilege of signing my name to the bottom. This can take some time as there are 422 children on our roll but I take great pride in reading about the progress your children have made.

Reports will be sent home towards the end of term.

Busy, Busy, Busy

It is a really busy time of the year and there are lots of events coming up so please keep an eye on our facebook page. The senior school is heading to Sumner Beach for surfing and the Year 6's will attend their annual bowling afternoon as well as our whole school jaunt to Jellie Park.
