## **Strike**

On Wednesday the teachers took part in the first strike in 24 years. This was a decision that was not made lightly.

As a profession we have seen many messages in the media both positive and negative and this is always difficult but I wanted to personally thank our amazing community who have been behind our teachers 100%.

As a school we received a number of positive messages and wishes of good luck which was pleasing.

Linwood Ave School has the most amazing teachers who are committed, hardworking and dedicated to ensuring the educational pathway for your child is bright.

A big thank you to all the staff.

## **Intermediate Education**

Intermediates are taking enrolments for 2019 now. It is important that you make a decision around where your child will attend as a Year 7. I encourage you to make contact to establish whether you are in zone and complete the paperwork so that transition can take place towards the end of this year.

Big changes can be worrying for children and their parents and getting sorted early calms that anxiety.

## **New Families**

Welcome to new families that have recently enrolled at Linwood Ave. It has been great to meet you and see you involved in your classroom. I trust our wonderful teachers and students have made you feel welcome.

## **Contact Details**

It is important that you update your contact details if these have changed over the holidays.
